INSTRUCTIONS FOR THE COMPLETION

Variation of AOC refers to inclusion of an additional aircraft type, inclusion of an additional destination or extension of routes or change in Operations Specifications. Refer to AOOCR Chapter 1 para 5.1.

Section 1A. To be completed by applicant.

- 1) Enter the official name and mailing address, telephone, fax and e-mail address of the company. Include any other name under which business is conducted if different from the official company name.
- 2) This address shall be the physical location where the primary activities are based. It is where the offices of management required by legislation are located. If the address is the same as under item 1, enter "same". Include secondary business addresses and identify the type of operation conducted at such addresses.
- 3) Enter the estimated date when operations or services are intended to commence.
- 4) This information will be used to assign a company identification number, known as a designator for aircraft operating agency. You may indicate up to three, three-letter identifiers, such as ABC, XYZ. If all choices have already been allocated to other operators or maintenance organizations, another identifier will be allocated.
- 5) Enter the names, titles, telephone numbers and other contact details of management and key staff personnel.

Section 1B. To be completed by applicant, as appropriate.

- 6) Indicate whether the applicant air operator intends to perform maintenance as an AMO or intends to contract out all or part of its maintenance, or perform its maintenance using an equivalent system.
- 7) The proposed type of air operation will be indicated. Check all applicable boxes.
- 8) The proposed maintenance organization ratings will be indicated. Check all applicable boxes.

Section 1C. To be completed by air operator applicant.

- 9) Data for all aircraft to be used to be provided. Provide a copy of the lease agreement for all leased aircraft.
 - a) Indicate number and types of aircraft by make, model and series, and

- indicate individual aircraft nationality and registration marks; and
b) Number of passenger seats and/or cargo payload capacity.

10) Indicate geographic area(s) of intended operation and proposed route structure.

Section 1D. To be completed by applicant.

11) Provide any information that would assist CAAT personnel in understanding the type and scope of the operation or business to be performed by the applicant. If an air operator intends to contract out maintenance and inspection of its aircraft and/or associated equipment, identify the AMO selected and list the maintenance and inspections that the contracting organization will perform. Provide copies of all maintenance contracts where applicable.

12) For air operator applicant, identify the type of aircraft and/or flight simulation training devices, including flight simulators, to be used and the training to be provided.

Section 1E. To be completed by applicant.

Signature of the accountable manager denotes an intent to seek certification as an air operator.

Section 2. The application is to be forwarded by the receiving office to the CAAT with all available information and a recommendation on the action to be taken.

Section 3. Where certification or approval action is to be continued, CAAT will designate a PM and a certification team.
