

Summary of Practical Guidelines for Air Operators

Phase	Air Operators' Duties	
	Foreign Nationals	Thai Nationals Returning to Thailand
Upon Check-in	1. Verify passengers' travel history in the last 14 days before the date of travel whether they have traveled to Disease Infected Zone or Ongoing Local Transmission Area 2. If yes, require the presentation of; (1) Health certificate certifying that the passengers "pose no risk of being infected by the Coronavirus Disease (COVID-19)", issued no more than 72 hours prior to the date of travel. (2) Health insurance/health insurance policy that shows minimum medical coverage of 100,000 USD in Thailand and covers the Covid-19 Disease Note: If the passenger has traveled to Disease Infected Zone or Ongoing Local Transmission Area, or is unable to present the required above documents, the air operator shall not issue a boarding pass and the boarding shall be denied.	1. Require the presentation of "Fit to Fly" health certificate 2. Certifying Letter from Royal Thai Embassy, Thai Consulate Office or Ministry of Foreign Affairs, Kingdom of Thailand Note: If the passenger is unable to present the required above documents, the air operator shall not issue a boarding pass and the boarding shall be denied.
Upon Receiving Boarding Pass	1. Arrange seats to passengers with the greatest possible distance apart from each other when issuing boarding passes 2. Arrange for passengers to provide information on the address in Thailand in the T.8 Form or in "AOT Airport of Thailand" Application.	
On Board	1. Inform passengers on how to protect themselves from communicable diseases, such as wearing masks at all time. 2. Limit services in the passenger cabin 3. Require all flight attendants to wear masks	
Entry to Thailand (Passenger's Duty)	1. Present to the communicable disease control official: (1) Health Certificate / Insurance Policy (2) Completed T8 Form or "AOT Airport of Thailand" Application 2. Under the applicable appropriate quarantine measure	1. Present the T.8 Form to the communicable disease control official 2. 14 days self-quarantine at their own residence
