

**All domestic passenger flights
in and out of the
dark red zone are banned
from 21st July 2021
until further notice.**

Exemption

1. Flights associated with sandboxes initiative or
2. Emergency landing or Technical landing without passenger's disembarkment or
3. Flights which are permitted by CAAT in which the evidence to establish necessity must be shown for permission.

(The ban does not apply to International flights and cargo flights)

*** All passengers should contact the airlines for flight adjustment or other procedures as soon as possible.**
