

Rule of The Civil Aviation Authority of Thailand
on Measures for Domestic Flight Operations during COVID-19 Pandemic Situation
(No. 3) B.E. 2565

According to the Rule of The Civil Aviation Authority of Thailand on Measures for Domestic Flight Operations during COVID-19 Pandemic Situation (No. 2) B.E. 2564 issued on 1 December 2021 providing air operators and airport operators the practical guidelines for their domestic flight operations and airport operations to ensure the conformance with standards and recommended practices from the Ministry of Public Health (MoPH), and later the Center for COVID-19 Situation Administration (CCSA) has issued policy to lift some restrictions according to the current situation in order to be in line with the policy of the Thai Government that aims to resume cross-border travel which can enhance economic recovery while balancing the public health management in the effective and efficient approaches, by virtue of Section 15/10 paragraph one (6) and paragraph two of Air Navigation Act B.E. 2497 amended by Air Navigation Act (No.14) B.E. 2562 (2019), the Director General of CAAT stipulates the Rule on Measures for International Flight Operations during COVID-19 Pandemic Situation as follows;

Article 1. This Rule is called the “Rule of The Civil Aviation Authority of Thailand on Measures for Domestic Flight Operations during COVID-19 Pandemic Situation (No. 3) B.E. 2565”.

Article 2. This Rule shall come into force from 1 May 2022 until the situation is ended or any further notification is issued.

Article 3. The provision of Article 6 (12) of the Rule of The Civil Aviation Authority of Thailand on Measures for International Flight Operations during COVID-19 Pandemic Situation B.E. 2564 issued on 11 November 2021 shall be repealed and replaced with the following provision:

“(12) The sales of souvenir and duty-free items can be conducted during the flight.”

Article 4. The provision of Article 6 (15) of the Rule of The Civil Aviation Authority of Thailand on Measures for International Flight Operations during COVID-19 Pandemic Situation B.E. 2564 issued on 11 November 2021 shall be repealed and replaced with the following provision

“(15) In case that any traveller (passenger or crewmember) is found to be ill or suspected to be affected from COVID-19 during the flight, the flight crew shall notify

the air traffic controller at port of disembarkation about information regarding such traveller in order to convey the finding to the airport of entry.”

Issued on 29 April 2022.
