**Parking Permission Rules and Regulations for Aircraft  
at Mae Fah Luang - Chiang Rai International Airport**

According to the Notification of the Civil Aviation Authority of Thailand Re: Determination of level of airport congestion of Level 2 Airport and Level 3 Airport B.E. 2562 (2019), Mae Fah Luang - Chiang Rai International Airport (CEI) is designated as a Level 2 Airport, where there is potentiality for congestion during some periods of the day, week, or season which can be resolved by schedule adjustments mutually agreed between the airlines and facilitator. Thus, it is necessary for CEI to set standards, rules, and regulations for overnight aircraft parking, as follows:

1. Air Operator or Handling Agent shall inform aircraft information and flight details to General Manager of Mae Fah Luang - Chiang Rai International Airport by letter and to CEI Airside Operation Division by email.  
(CEI Airside Operation Division E-mail: aoc.vtct@airportthai.co.th and ft.vtct@airportthai.co.th)
2. Air Operator or Handling Agent shall coordinate with the CEI Airside Operation Division in advance for a parking stand before requesting a slot.  
(CEI Airside Operation Division Number: 0 5379 8164)
3. GA/BA aircraft for overnight parking at CEI will be allocated without affecting the allocation of scheduled flights.
4. Air Operator or Handling Agent shall provide sufficient ground service equipment and be ready to move the aircraft to other stands when requested by CEI.
5. All aircraft shall prepare their own tow bars.
6. Nose-in parking is applicable to all aircraft.
7. In case of flight cancelation or any information changed, Air Operator or Handling Agent shall inform CEI prior to the date of the approved slot.
