Notification of the Civil Aviation Authority of Thailand Re: Air Navigation Service Charges for Air Traffic Management Services, Communications, Navigation Aids and Surveillance Systems Services, and Instrument Flight Procedures Design Services of the Aeronautical Radio of Thailand Limited B.E. 2567 (2024)

Whereas the Civil Aviation Board has prescribed the criteria, procedures and conditions for calculating air navigation service charges pursuant to Section 15 (8) of the Air Navigation Act B.E. 2497 (1954), as amended by the Air Navigation Act (No. 14) B.E. 2562 (2019), by issuing the Notification of the Civil Aviation Board Re: Criteria, Procedures and Conditions for Calculating Air Navigation Service Charges B.E. 2566 (2023), issued on 2 May B.E. 2566 (2023);

By virtue of Section 15/26 of the Air Navigation Act B.E. 2497 (1954), as amended by the Air Navigation Act (No. 14) B.E. 2562 (2019), the Director General of the Civil Aviation Authority of Thailand hereby issues this Notification prescribing the air navigation service charges of the Aeronautical Radio of Thailand Limited as follows:

Article 1. This Notification shall be cited as the "Notification of the Civil Aviation Authority of Thailand, Re: Air Navigation Service Charges for Air Traffic Management Services, Communications, Navigation Aids and Surveillance Systems Services, and Instrument Flight Procedures Design Services of the Aeronautical Radio of Thailand Limited B.E. 2567 (2024)".

Article 2. This Notification shall come into force as from the day following the date of its announcement.

Article 3. In this Notification:

"AEROTHAI" means the Aeronautical Radio of Thailand Limited;

"Service Charge" means the air navigation service charge levied in respect of the air navigation services in the fields of Air Traffic Management Services, Communications, Navigation Aids and Surveillance System Services, and Instrument Flight Procedures Design Services provided by the Aeronautical Radio of Thailand Limited;

DISCLAIMER: THIS TEXT HAS BEEN PROVIDED FOR EDUCATIONAL, COMPREHENSION PURPOSES AND CONTAINS NO LEGAL AUTHORITY. THE CIVIL AVIATION AUTHORITY OF THAILAND SHALL ASSUME NO RESPONSIBILITY FOR ANY LIABILITIES ARISING FROM THE USE AND/OR REFERENCE OF THIS TEXT. ORIGINAL THAI TEXT AS FORMALLY ADOPTED AND PUBLISHED SHALL IN ALL EVENTS REMAIN THE SOLE AUTHORITY HAVING LEGAL FORCE.

"Director General" means the Director General of the Civil Aviation Authority of Thailand.

Article 4. AEROTHAI may collect the charges under this Notification only after having obtained, from the Director General, the Air Navigation Service Certificate for all three of the following services: Air Traffic Management Services, Communications, Navigation Aids and Surveillance System Services, and Instrument Flight Procedures Design Services.

Article 5. The Service Charge rates per unit of service usage (Unit Rate) shall be as follows:

(1) En route Charge: 5,000 baht per unit

(2) Aerodrome & Approach Control Charge: 700 baht per unit

Article 6. The air navigation service charge levied by AEROTHAI, the holder of the Air Navigation Service Certificate, shall be calculated in accordance with the following methods:

(1) En route Charge:

Service Charge = Unit Rate (5,000 baht) x Weight Factor x Distance Factor

(2) Aerodrome & Approach Control Charge:

Service Charge = Unit Rate (700 baht) x Weight Factor x Terminal Multiplier

Terminal Multiplier under (2) of paragraph one shall be in accordance with the following table:

Airport	**Terminal Multiplier**		
	B.E. 2568 (2025)	**B.E. 2569 (2026)**	**B.E. 2570 (2027) onwards**
Suvarnabhumi	0.9	0.9	0.9
Don Mueang	0.5	0.9	0.9
Phuket, Chiang Mai	0.5	0.5	0.9
Hat Yai, Mae Fah Luang–Chiang Rai	0.5	0.5	0.5
Krabi	0.05	0.05	0.5
Other airports where AEROTHAI provides services	0.05	0.05	0.05

Article 7. The Unit Rate under Article 5 shall be reviewed at least once every five years, or whenever economic conditions change significantly, in accordance with the Notification of the Civil Aviation Board, Re: Criteria, Procedures and Conditions for Calculating Air Navigation Service Charges B.E. 2566 (2023), which includes the case where the number of flights increases or decreases significantly.

Article 8. AEROTHAI any shall propose the service charges and the conditions for collecting service charges from each group of service users, to the Director General for prior approval, provided that the rates collected by AEROTHAI from each group of service users must give due regard to the principles of fairness and non-discrimination under the Notification of the Civil Aviation Board Re: Criteria, Procedures and Conditions for the Calculation of Air Navigation Service Charges B.E. 2566 (2023), and be in accordance with international practices.

Announced on 28 October B.E. 2567 (2024)
