**Parking Permission Rules & Regulations for Aircrafts
at Mae Fah Luang - Chiang Rai International Airport**

According to the Notification of the Civil Aviation Authority of Thailand regarding Determination of level of airport congestion of Level 2 Airport and Level 3 Airport B.E. 2562 (2019), Mae Fah Luang - Chiang Rai International Airport (CEI) is classified as a Level 2 Airport. This means the airport experiences potential congestion during certain times of the day, week, or season which can be managed through schedule adjustments mutually agreed between the airlines and facilitator. Therefore, it is necessary for CEI to establish the following parking permission rules and regulations for all aircraft:

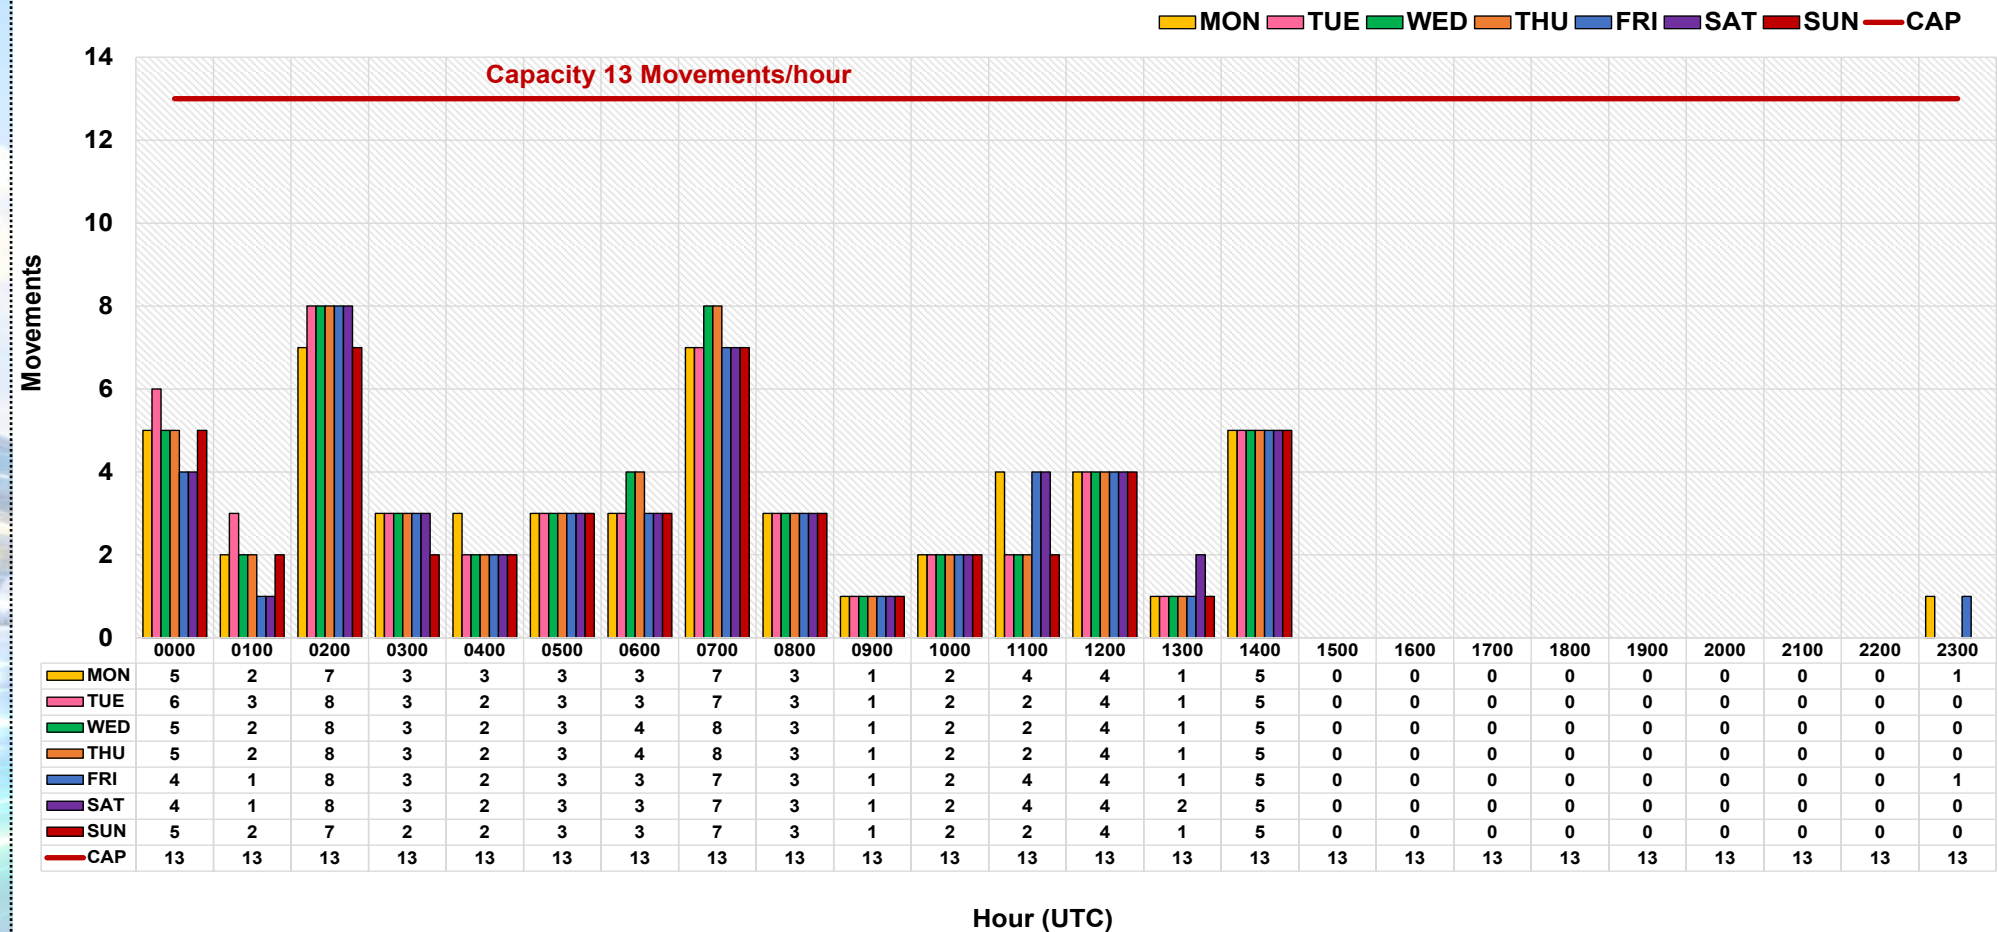

- 1) Air Operator or Handling Agent shall inform General Manager of Mae Fah Luang - Chiang Rai International Airport by letter and CEI Airside Operations Division by email of aircraft and flight details.
(CEI Airside Operations Division E-mail: aoc.vtct@airportthai.co.th and flt.vtct@airportthai.co.th)
- 2) Air Operator or Handling Agent shall coordinate with CEI Airside Operations Division in advance for a parking stand before submitting schedule allocation request.
(CEI Airside Operations Division Number: 0 5379 8169 or 0 5379 8164)
- 3) GA/BA aircraft for overnight parking at CEI will be allocated without affecting the allocation of scheduled flight
- 4) Air Operator or Handling Agent shall provide sufficient ground service equipment and be ready to move the aircraft to other stands when requested by CEI.
- 5) All aircraft shall prepare their own tow bars.
- 6) Nose-in parking is applicable to all aircraft.
- 7) In case of flight cancellation or any changes, Air Operator or Handling Agent shall inform CEI prior to the date of the facilitated schedule.
- 8) Only 3 remote parking stands are designated for self-maneuvering, with a maximum capacity of 2 aircrafts at the same time.
